Brandon Does: “Dugg Burger”‘s New Menu

December 19, 2016

I’m digging **Dugg Burger**, Plano’s newest burger joint! This burger joint gets their name after the top bun of their burgers, which is “Dugg” out to make room for unlimited 13 toppings!

❤️ One of my favorites things, the “Lucky 13” topping is constantly rotated so you can always mix it up!

When I heard Dugg Burger launched a new grilled chicken option for their signature Dugg 'burger' I wasted no time making my way in!! It's safe to say this is of the the best grilled chickens I've had between two buns.

👉 Did You Know: Dugg Burger also *just* launched a **NEW Portabella Mushroom** option? Now you can choose from beef, chicken OR mushroom!

What burger is complete without a lip-smacking milkshake? Dugg Burger's insatiable shakes are devilishly good + easy-to-love. Unmistakably, Dugg's commitment to excellence extends beyond the kitchen. Come for the burger, stay for the shake. Did I mention Dugg uses [Henry's Homemade Ice Cream](#)? 🍦

Where does the extra bread from the top bun go you ask? Dugg Burger turns these irresistible carbs into their housemade infamous bread pudding! 🍞

No matter what you're into, Dugg Burger now has it *all*: beef, chicken *and* Portabella mushroom! Finally, something you've Dugg – everyone can dig! 🏠

Stay hungry Dugg-y, Dallas.
